BATTERY REPLACEMENT

The batteries included are for in-store demonstration. It is recommended that, prior to playing, an adult install fresh alkaline batteries. Here's how:

1. Remove the diaper on the unicorn.
2. Using a Phillips screwdriver (not included) remove the screw and battery compartment cover on the back of the unicorn.
3. Install three (3) 1.5V AA (LR6) alkaline batteries (not included) making sure the (+) and (-) ends face the proper direction as indicated inside the battery compartment.
4. Replace the compartment cover and tighten the screw. Then, replace the diaper.

IMPORTANT INFORMATION

- Play is limited in TRY ME (I) mode. Move the switch to the ON position (II) for full play experience.
- Turn off (O) the unicorn after use to conserve battery power.

FCC COMPLIANCE

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Caution: Modifications not authorized by the manufacturer may void users authority to operate this device.

CAN ICES-3 (B)/NMB-3(B).

SAFE BATTERY USAGE

* Use alkaline batteries for best performance and longer life.
* Use only the battery type recommended for the unit.
* Batteries should be replaced only by an adult.
* Insert batteries with the correct polarity (+ and -).
* Do not mix old and new batteries.
* Do not mix alkaline, standard (carbon-zinc), or rechargeable batteries.
* Do not short-circuit batteries.
* When not used for an extended time, remove batteries to prevent possible leakage and damage to the unit.
* Do not mix rechargeable and non-rechargeable batteries.
* Rechargeable batteries are to be removed from the toy before charging.
* Rechargeable batteries are to be recharged only under adult supervision.
* Do not recharge non-rechargeable batteries.
* Exhausted batteries are to be removed from the toy.
* Do not dispose of batteries in fire as they may leak or explode.

* Let's care for the environment! The wheelie bin symbol indicates that the product must not be disposed of with other household waste. Please use designated collection points or recycling facilities when disposing of the item. Do not treat old batteries as household waste. Take them to a designated recycling facility.

Whatcha gonna do?
Whatcha gonna do with all that poop?

- B. Fita
- C. Fita
- D. Fita para o cabelo

As ilustrações servem apenas de referência.
Os estilos podem variar do conteúdo visual.

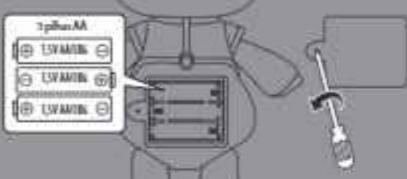

INÍCIO RÁPIDO

SUBSTITUIÇÃO DAS PILHAS

As pilhas incluídas servem apenas para demonstração na loja. Recomendamos que, antes da utilização, um adulto instale pilhas alcalinas novas. Mude para a face:

- Retire a fita da unidade.
- Com uma chave de estrela não incluída, retire o painel e o tampa do compartimento das pilhas na parte traseira do unicórnio.
- Coloque 3 pilhas alcalinas novas AA (LR6) de 1,5V (não incluídas), verificando se que as extremidades (+/-) ficam na direção correta, conforme indicado no interior do compartimento das pilhas.
- Voltar a colocar a tampa do compartimento das pilhas e aperte o painel. Depois, volte a colocar a fita.

INFORMAÇÃO IMPORTANTE

- A utilização é limitada no modo de experimento (I). Mova o interruptor para a posição de ligado (II) para uma experiência de utilização completa.
- Desligue o unicórnio (II) após a utilização para conservar a energia das pilhas.

CONFORMIDADE FCC

NOTA: Este equipamento foi testado e foi declarado em conformidade com os limites de um dispositivo digital de Classe B, de acordo com o Artigo 15 das Normas FCC. Estes limites são concebidos para proporcionar proteção razoável contra interferências prejudiciais numa instalação residencial. Este equipamento gera, utiliza e pode emitir energia de rádiofrequências e, se não for instalado e utilizado de acordo com as instruções, pode causar interferências prejudiciais às comunicações de rádio. No entanto, não existe qualquer garantia de que não ocorram interferências em certas instalações. Se este equipamento interferir de forma negativa com a receção de rádio ou televisão, que pode ser determinada ligando e desligando o equipamento, o utilizador deverá tentar corrigir a interferência através de uma ou mais das medidas seguintes:

- Reorientar ou mudar o local da antena receptora.
- Aumentar a separação entre o equipamento e o receptor.
- Ligue o equipamento a uma tomada num circuito diferente daquele ao qual o receptor está ligado.
- Consulte o revendedor ou um técnico experiente de rádio e TV para obter assistência.

Este dispositivo encontra-se em conformidade com o Artigo 15 das Normas FCC. O funcionamento está sujeito às duas condições seguintes: (1) Este dispositivo não pode causar interferência prejudicial e (2) este dispositivo tem de aceitar qualquer interferência recebida, incluindo interferência passível de causar um funcionamento indesejado. Cuidado: Modificações que não sejam autorizadas pelo fabricante podem anular a autoridade do utilizador em utilizar este aparelho. CAN ICES-3 (B)/NMB-3(B).

CANTA EM CONJUNTO

* A música encontra-se apenas em inglês.

Yay! Alright
Poopie slime surprised
My poop! My poop! My poop!

UTILIZAÇÃO SEGURA DAS PILHAS

- Use pilhas alcalinas para um melhor desempenho e maior tempo de vida.
- Utilize apenas o tipo de pilhas recomendado para o brinquedo.
- As pilhas devem ser substituídas por um adulto.
- Instale as pilhas com a polaridade correta (+/-).
- Não misture pilhas novas com pilhas usadas.
- Não misture pilhas alcalinas normais (carbono-zinc) ou recarregáveis.
- Não coloque as pilhas em curto-circuito.
- Quando não utilizar durante um longo período de tempo, retire as pilhas para evitar possíveis fugas e danos ao brinquedo.
- Não misture pilhas recarregáveis com pilhas não recarregáveis.
- As pilhas recarregáveis devem ser removidas do brinquedo antes de serem carregadas.
- As pilhas recarregáveis devem ser recarregadas somente sob supervisão de um adulto.
- Não recarregue pilhas não recarregáveis.
- As pilhas gastas devem ser removidas do brinquedo.
- Não atire as pilhas para o fogo, pois podem explodir se derretem.

But we can keep on playin',
cause "poop on" is all I'm sayin'!

They got me weavin' glitters.
We could end up on Twit...Twit...
But we can keep on playin',
cause "poop on" is all I'm sayin'!

They got me weavin' glitters.
