

BIG SURPRISE PARTY™

SKL: 510987

AGES 3+

WARNING:
CHOKING HAZARD - Toy parts are small and can be swallowed or inhaled by children under 3 years.

ADULT SUPERVISION REQUIRED
CONFORMS TO ASTM D-4236

WARNING

- ADULT SUPERVISION REQUIRED when children are playing with water.
- DO NOT allow children to play with water near any electrical source or apparatus.
- DO NOT eat foam beads or gel. DO NOT inhale or ingest sand. If ingested, seek medical advice if necessary.
- Avoid contact with eyes. In case of eye contact, rinse with water thoroughly. If eye irritation persists, seek medical attention.
- Keep out of reach of small children.
- COLOR FROM FOAM BEADS MAY STAIN.**
- Keep sand away from eyes, nose and mouth.
- Do not play with sand or foam beads with broken skin. If irritation occurs, discontinue use.

IMPORTANT INFORMATION

- Before beginning, cover the play area to protect from possible water and color damage.
- Hands should be dry before playing with compounds.
- Sand is not intended for bathtub use.
- Crush Gel is meant for one time use; throw away after use.
- Foam beads may not be removed from all surfaces. Keep away from fabric, furniture and other surfaces.
- Foam beads may stain hands and surfaces when playing. Wash hands thoroughly with water and soap after playing.
- DO NOT add water to Huff compound.
- Keep Huff, Sand, and Crunch compounds out of direct sunlight.
- Wash hands thoroughly with mild soap and water after playing.
- Rinse and dry charms thoroughly after revealing.
- Dry all components on a towel in a well-ventilated area before storing.
- Do not store dolls in direct sunlight for extended periods of time.

COMPOUNDS:

Peel back the seal of each container holding the compound; look inside for a surprise!

1 FLUFF:

- Squish and pull the fluff in your hands to reveal a charm.
- When finished playing, store your fluff in an air tight container (not included) to maintain freshness.
- Squish the fluff in your hands to soften again if needed; DO NOT add water.

2 SAND:

- Add room temperature water approximately 68-77 °F (20-25 °C) to a container. Pour the sand in and gently push the sand that is on the surface of the water down until it is submerged. Form different shapes underwater with the sand!
- When finished playing, scoop the sand out of the water - the sand will dry instantly! Set it aside on a paper towel and dry thoroughly before storing.
- Store sand in an air tight container (not included) to use at a later time.
- Discard excess material in a trash can; do not pour down the drain.

3 CRUSH:

- Remove the shrinkwrap around the gel and crush the gel with your hands immediately after unwrapping it. Avoid leaving the gel out for a long period of time.
- Gel may not be removed from all surfaces. Keep away from fabric, furniture and other surfaces.
- When finished playing, throw away material and debris in a trash can. Do not dispose in the sink or drain.

4 CRUNCH:

- Squish and pull the foam beads in your hands to reveal a charm.
- Store beads in an air tight container (not included) to keep foam beads from drying out.

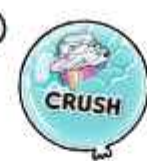

5 SMASH:

- Place the ball on a flat surface and smash your hand down on the ball.
- When finished playing, throw away material and debris in a trash can. Do not dispose in the sink or drain.

6 PARTY:

- Search through the party confetti for a surprised doll.
- When finished playing, throw away material and debris in a trash can. Do not dispose in the sink or drain.
